

65. A new simple formula for evaluation of gallbladder volume: clinical application. A Greco, F Pavani, P Pazzi, S Putinati, A D'Ambrosi, V Alvisi (Internat.Meeting on Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna 14-16 Marzo 1988, pag. 220)
66. Prevalence of gallstone disease and associated factors in diabetic patients. A Greco, P Pazzi, F Galvani, S Putinati, A D'Ambrosi, V Alvisi (Internat.Meeting on Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna 14-16 Marzo 1988, pag. 221)
67. Correlation entre *Campylobacter pylori* et metaplasia gastrique dans le bulbe duodenal. M Caselli, G Zavarini, P Pazzi, S Sartori, L Trevisani, G Stabellini (Gastroenterol.Clin.Biol., 12 (n°2bis): A44, 1988)
68. Valeur clinique de l'echographie qui de routine est appliques a tout l'abdomen. P Pazzi, S Putinati, L Trevisani, M Caselli, F Galvani, G Stabellini (Gastroenterol.Clin.Biol., 12 (n°2bis): A67, 1988)
69. Gastrite: l'observation endoscopique est-elle suffisante pour formuler le diagnostic? L Trevisani, P Pazzi, S Putinati, S Sartori, F Galvani, M Caselli, G Stabellini (Gastroenterol. Clin. Biol., 12 (n°2bis): A99, 1988)
70. Interet clinique de la recherche des microcristaux dans la bile vesiculaire. S Putinati, G Guerra, P Pazzi, L Trevisani, G Stabellini, R Bovolenta, V Alvisi (Gastroenterol. Clin. Biol., 12 (n°2bis): A222, 1988)
71. Early diagnosis of gallbladder carcinoma. G Stabellini, P Pazzi, S Putinati, GL Limone, L Lupi, S Bighi (Atti 20^e Congr. Europ. Assoc. Gastroenterol. Endosc., Sirmione 28-30 Aprile 1988, pag. 31)
72. Non-Steroidal anti-inflammatory drugs and *Campylobacter pylori*. M Caselli, P Pazzi, L Trevisani, G Stabellini, R La Corte, R Gaiani (Atti 20^e Congr. Europ. Assoc. Gastroenterol.Endosc., Sirmione 28-30 Aprile 1988, pag. 75)
73. Amyloid disease of gastric stump simulating carcinoma: case report. L Trevisani, P Pazzi, R Ariutti, S Bighi, L Lupi (Atti 20^e Congr. Europ.Assoc. Gastroenterol. Endosc., Sirmione 28-30 Aprile 1988, pag. 76)
74. Rapid diagnosis of *Campylobacter pylori* infection in endoscopical settings. M Caselli, L Trevisani, R Osnato, P Pazzi, G Stabellini (Atti 20^e Congr.Europ. Assoc. Gastroenterol. Endosc., Sirmione 28-30 Aprile 1988, pag. 77)
75. Lack of correlation between serum lipids and SI in patients with gallstones. P Pazzi, G Guerra, S Putinati, L Trevisani, E Morsiani, G Stabellini (X^e Internat.Bile Acid Meeting: Trends in bile acid research, Friburg-W.Germany 9-11 Giugno 1988, pag. 173)
76. Gallstone disease prevalence in thalassaemia minor. S Putinati, P Pazzi, G Guerra, G Stabellini, L Trevisani, V Alvisi (X^e Internat.Bile Acid Meeting: Trends in bile acid research, Freiburg-W.Germany 9-11 Giugno 1988, pag. 177)
77. Metaplasia gastrica: relazioni con il *Campylobacter pilori*. M Caselli, L Trevisani, P Pazzi, G Stabellini (Patologia gastrica e intestinale da *Campylobacter pylori*, Siena 9 Luglio 1988, pag. 16)
78. Gastric metaplasia in the duodenal cup and *Campylobacter pylori*. M Caselli, L Trevisani, G Stabellini, P Pazzi, A Aleotti, MR Bovolenta (Gastroenterol.Internat., 1 (Suppl.1): 440, 1988)
79. Gallbladder volume assessment in healthy subjects: sonographic study. S Putinati, P Pazzi, D Barbieri, M Caselli, GL Limone, S Bighi, L Lupi (Gastroenterol. Internat., 1 (Suppl.1): 976, 1988)

80. *Campylobacter pylori* infection in patients with arthritis. P Pazzi, M Caselli, G Stabellini, L Trevisani, R La Corte, R Gaiani (Gastroenterol.Internat., 1 (Suppl.1): 1139, 1988)
81. Studio ecografico del volume colecistico in soggetti sani. P Pazzi, S Putinati, D Barbieri, G Guerra, GL Limone, L Lupi, S Bighi (Us. Med., Suppl. al n°2: 72, 1988)
82. Ruolo preminente dell'ecografia nella diagnosi del carcinoma della colecisti. L Trevisani, G L Limone, S Bighi, L Lupi, P Pazzi, G Stabellini (Us. Med., Suppl. al n°2: 78, 1988)
83. Proteinosi alveolare polmonare: segnalazione di due casi. L Trevisani, G Stabellini, A Potena, P Pazzi, S Bighi, U Viviani (Rass.Pat.App.Respir., Suppl. n°2: 44, 1988)
84. Bile microscopy for cholesterol crystals in patients with suspected microlithiasis. M Caselli, P Pazzi, S Putinati, G Guerra, L Trevisani, G Stabellini (World Assoc. of Hepato-pancreato-biliary Surgery - 1st Congr. of the Italian Chapter, Bologna 13-15 Novembre 1988, pag. 151)
85. Gastric metaplasia of the duodenal bulb: Relationship with *Campylobacter pylori*. M Caselli, L Trevisani, A Aleotti, P Pazzi, G Stabellini (Workshop Gastroduodenal Pathology and Campylobacter pylori, Bordeaux-France 7-8 Ottobre 1988)
86. Patterns of physical modes of contact between *C.pylori* and Gastric Epithelium. M Caselli, N Figura, L Trevisani, P Pazzi, G Stabellini (V[^] Internat. Workshop on Campylobacter Infections, Puerto Vallarta, Mèxico 25 Febbraio-1 Marzo 1989, pag.65)
87. *C. pylori* in RA patients taking NSAIDs. M Caselli, P Pazzi, R La Corte, L Trevisani, G Stabellini (V[^] Internat. Workshop on Campylobacter Infections, Puerto Vallarta, Mèxico 25 Febbraio-1 Marzo 1989, pag. 78)
88. Alterazioni ultrastrutturali delle cilia bronchiali in corso di bronchite cronica. G Stabellini, P Pazzi, L Trevisani, A Potena, M Caselli, S Putinati (Il Policlinico, 95: 914, 1989)
89. Intestinal bleeding from angiodysplasia of the cecum: case report. P Pazzi, L Trevisani, S Putinati, S Sartori, G Stabellini (VII[^] Internat.Meeting on Emergency in Gastroenterology, Bologna 10-11 Marzo 1989, pag. 63)
90. Do NSAIDs protect arthritic patients against *Campylobacter pylori* infection? F Trotta, P Pazzi, R La Corte, M Caselli, GL Bajocchi, L Trevisani, G Bazzanini (3[^] Interscience World Conference on Inflammation - Antirheumatics, Analgesic, Immunomodulators. Montecarlo 15-18 Marzo 1989, pag. 230)
91. E' possibile la diagnosi precoce del cancro colecistico? Ruolo diagnostico delle nuove tecniche di immagine. S Bighi, P Pazzi, GL Limone, L Trevisani, L Lupi, G Stabellini (IMA.GO 90, Bologna 27-29 Aprile 1989, pag. 34)
92. L'esame ecotomografico nella diagnosi di tumore del pancreas: revisione casistica. PM Cervi, M Zappi, L Lupi, L Trevisani, P Pazzi, S Bighi (IMA.GO 90, Bologna 27-29 Aprile 1989, pag. 43)
93. Gallstone prevalence in women taking oral contraceptive. A Laterza, D Sighinolfi, A Greco, P Pazzi, S Putinati, V Alvisi (Z. Gastroenterol., 27: 176-177, 1989)
94. Cholelithiasis in Thalassaemia Minor: a case-control study. P Pazzi, S Putinati, A Greco, L Trevisani, G Stabellini, V Alvisi (Z. Gastroenterol., 27: 186-187, 1989)
95. T-Lymphocyte populations in peripheral blood of patients with alcoholic liver disease. P Pazzi, G Guerra, S Putinati, M Caselli, L Trevisani, G Stabellini (Z. Gastroenterol., 27: 187, 1989)
96. Effect of contraceptive steroids on gallbladder volume. D Sighinolfi, P Pazzi, A Laterza, A Greco, S Putinati, V Alvisi (Z. Gastroenterol., 27: 192, 1989)

97. Hepatobiliary scintigraphy in the diagnosis of duodeno- gastric reflux. N Prandini, P Pazzi, L M Feggi, B Bagni, L Trevisani, G Stabellini (J.Nucl.Med. and Allied Sci., 33: 187-188, 1989)
98. Associazione tra diabete mellito e malattia litiasica biliare: studio di una popolazione ospedalizzata. F Galvani, P Pazzi, S Putinati, L Trevisani, S Sartori, G Stabellini (Prevenzione e terapia delle malattie epatobiliari, Firenze 19-20 Maggio 1989, pag. 69)
99. Utilità clinica dello studio microscopico della bile in pazienti con sintomatologia suggestiva di colelitiasi. P Pazzi, S Putinati, G Guerra, L Trevisani, G Stabellini, V Alvisi (Prevenzione e terapia delle malattie epatobiliari, Firenze 19-20 Maggio 1989, pag. 94)
100. Influence of oral contraceptive on gallstone prevalence and gallbladder volume. P Pazzi, D Sighinolfi, A Laterza, A Greco, S Putinati, A D'Ambrosi, V Alvisi (1[^] Simposio Internazionale di Lugano sulla fisiologia e le malattie delle vie biliari: Strategie per la terapia delle malattie epato-biliari, Lugano 15-17 Giugno 1989, pag. 34)
101. Cholelithiasis and hiatus hernia: a case-control study. S Putinati, P Pazzi, L Trevisani, S Sartori, G Stabellini (Holland Digestive Week, Amsterdam 21-24 Giugno 1989, pag. 193)
102. Duodenogastric reflux and dyspepsia in patients with and without biliary tract disease. P Pazzi, N Prandini, S Putinati, L Trevisani, S Sartori, LM Feggi, B Bagni (Holland Digestive Week, Amsterdam 21-24 Giugno 1989, pag. 245)
103. Barrett's esophagus after prolonged polychemotherapy. S Sartori, I Nielsen, M Lanza, P Pazzi, L Trevisani (Holland Digestive Week, Amsterdam 21-24 Giugno 1989, pag. 268)
104. Gastric injury during cisplatin + etoposide chemotherapy. S Sartori, I Nielsen, D Beltrami, P Pazzi, L Trevisani (Holland Digestive Week, Amsterdam 21-24 Giugno 1989, pag. 269)
105. Influence of sex and age on fasting and post-prandial gallbladder volume: ultrasonographic study. P Pazzi, G Stabellini, L Trevisani, GL Limone, S Bighi, L Lupi (17[^] Internat.Congr.Radiol., Paris 1-8 Luglio 1989, n°2600, pag. 791)
106. Barrett's esophagus caused by anti-neoplastic chemotherapy: a case report. S Sartori, I Nielsen, P Pazzi, L Trevisani (Hepato- Gastroenterology, 36: 304, 1989)
107. *Campylobacter pylori* (CP) associated gastritis in patients with rheumatoid arthritis (RA). L Trevisani, P Pazzi, R La Corte, GL Bajocchi, G Stabellini, S Sartori, F Trotta (1st Mediterranean Med.Meeting, Heraklion- Crete, 24-28 Settembre 1989, pag. 28)
108. Opportunistic infections in HIV-positive drug abusers. G Stabellini, M Gallerani, D Dall'Ara, I Cicognani, L Trevisani, P Pazzi, S Sartori (1st Mediterranean Med.Meeting, Heraklion- Crete, 24-28 Settembre 1989, pag. 60)
109. Sensibilità e specificità dell'esame microscopico della bile per l'identificazione dei calcoli colecistici. P Pazzi, G Guerra, S Putinati, D Sighinolfi, A Laterza, V Alvisi (12[^] Internat.Meeting of Gastroenterol.-C.O.S.M.A.D., Capri 4-7 Ottobre 1989, pag. 26)
110. Lipidi plasmatici in pazienti colelitiasici: assenza di correlazione con l'indice di saturazione biliare. P Pazzi, D Sighinolfi, G Guerra, S Putinati, L Trevisani, V Alvisi (12[^] Internat.Meeting of Gastroenterol.-C.O.S.M.A.D., Capri 4- 7 Ottobre 1989, pag. 27)
111. May NSAIDs have a protective role against *Campylobacter pylori* infection?. P Pazzi, L Trevisani, S Sartori, R La Corte, G Bajocchi, A Laterza, D Sighinolfi, V Alvisi (Klin.Wochenschr., 67, Suppl.XVIII: 53-54, 1989)
112. Haemolytic conditions and cholelithiasis. V Alvisi, D Sighinolfi, S Putinati, P Pazzi (It.J.Gastroenterol., 21: 309, 1989)

113. "Postcholecystectomy syndrome": does indication for surgery make the difference? P Pazzi, S Putinati, D Sighinolfi, V Alvisi (It.J.Gastroenterol., 21: 312, 1989)
114. The diabetes-cholelithiasis association in a hospital-based case-control study. P Pazzi, S Putinati, D Sighinolfi, L Trevisani, G Verdianelli, V Alvisi (It.J.Gastroenterol., 21: 313, 1989)
115. Pigment vs Cholesterol Cholelithiasis: clinical and epidemiological aspects. P Pazzi, E Morsiani, D Sighinolfi, S Putinati, L Trevisani, V Alvisi (It.J.Gastroenterol., 21: 316, 1989)
116. Prevalenza di *C.pylori* in corso di artrite reumatoide (AR): ruolo dei FANS e dei corticosteroidi. R La Corte, P Pazzi, L Trevisani, S Sartori, GL Bajocchi, L Dovigo (Atti 28° Congr.Naz. SIR, Roma 3-6 Novembre 1989, pag. 202)
117. Pancreatite acuta manifestazione d'esordio di Sindrome di Sjogren primaria: descrizione di un caso. R La Corte, P Pazzi, A Zoppi, A D'Ambrosi (Atti 28° Congr.Naz.SIR, Roma 3-6 Novembre 1989, pag. 281)
118. Alterazioni gastriche durante terapia con cisplatino più etoposide. Risultati preliminari. I Nielsen, S Sartori, M Lanza, M Marzola, P Pazzi, L Trevisani (Tumori, 75: 437, 1989)
119. Alterazioni esofagee dopo CMF adiuvante. S Sartori, I Nielsen, D Beltrami, A Santini, P Pazzi, L Trevisani (Tumori, 75: 442, 1989)
120. Prevalence of gallstone disease in Thalassaemia minor. V Alvisi, P Pazzi, D Sighinolfi (2nd Internat.Workshop on Epidemiology and Prevention of Gallstone Disease, Roma 4-5 Dicembre 1989, pag. 17)
121. Contraccettivi orali e volume colecistico. studio ecografico. D Sighinolfi, P Pazzi, S Putinati, A Greco, A Laterza, A D'Ambrosi, V Alvisi (Us. Med. 2(Suppl.): 17, 1989)
122. Associazione ernia gastrica iatale-colelitiasi. Valutazione ecografica e studio della motilità colecistica. P Pazzi, S Putinati, L Trevisani, PM Cervi, S Bigghi, D Sighinolfi, V Alvisi (Us. Med. 2(Suppl.): 18, 1989)
123. Ecografia e tomografia computerizzata nello studio delle neoplasie pancreatiche: studio campione. PM Cervi, L Trevisani, S Bigghi, P Pazzi, L Lupi, GL Limone (Us. Med. 2(Suppl.): 24, 1989)
124. Cholelithiasis in β -thalassemia carriers. V Alvisi, P Pazzi, D Sighinolfi, S Putinati (2nd Internat.Meeting on Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System and New Strategies for the treatment of Hepato- Biliary Diseases, Bologna 19-21 Marzo 1990 , pag.49)
125. Cholelithiasis in oral contraceptive users. D Sighinolfi, P Pazzi, A Laterza, A D'Ambrosi, V Alvisi (2nd Internat.Meeting on Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System and New Strategies for the treatment of Hepato- Biliary Diseases, Bologna 19-21 Marzo 1990, pag. 51)
126. Duodenogastric reflux and dyspepsia in patients without prior gastric surgery. P Pazzi, N Prandini, L Trevisani, S Sartori, D Sighinolfi, LM Feggi, G Stabellini (2nd Internat.Meeting on Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System and New Strategies for the treatment of Hepato-Biliary Diseases, Bologna 19-21 Marzo 1990, pag. 164)
127. *Campylobacter pylori* prevalence in rheumatoid arthritis patients. Role of NSAIDs and corticosteroids. P Pazzi, L Trevisani, S Sartori, S Canazza, R La Corte, A Laterza, V Alvisi (It.J.Gastroenterol., 21: 388-389, 1989)
128. Endoscopic and histological peculiarities of chemotherapy- induced Barrett's oesophagus. S Sartori, I Nielsen, D Beltrami, L Trevisani, P Pazzi (Europ. J. Gastroenterol & Hepatol., 2(Suppl.1): 598, 1990)

129. Gallbladder dynamics in patients with systemic sclerosis. M Govoni, P Pazzi, S Putinati, D Sighinolfi, L Dovigo, F Trotta (Clin.Exper.Rheumatol., 8(S-4): 39, 1990)
130. Alterazioni gastroduodenali e sintomatologia dispeptica in pazienti reumatici in trattamento cronico con FANS. S Canazza, R La Corte, G Bajocchi, A Bezzi, P Pazzi, L Trevisani, S Sartori, F Trotta (Incontri Reumatologici Romani, Roma 4-6 Ottobre 1990)
131. Infezione da *Helicobacter pylori* in pazienti reumatici: rapporto con la terapia antinfiammatoria. R La Corte, G Bajocchi, A Bezzi, P Pazzi, L Trevisani, R Scagliarini, F Trotta (Incontri Reumatologici Romani, Roma 4-6 Ottobre 1990)
132. Studio controllato della funzione esocrina del pancreas in corso di connettiviti. A D'Ambrosi, V Alvisi, P Pazzi, L Dovigo, R La Corte (Incontri Reumatologici Romani, Roma 4-6 Ottobre 1990)
133. Group separation of free, Taurine-, Glycine- and sulphate- conjugated bile acids by pre-packed anion-exchange cartridges. S Scalia, M Guarneri, P Pazzi (XI[^] Internat.Bile Acid Meeting: Bile Acids as Therapeutic Agents, Freiburg, 11-13 Ottobre 1990, pag. 5)
134. Cholesterol and pigment Gallstone disease in Italy: clinical and biochemical data. P Pazzi, E Morsiani, D Sighinolfi, L Trevisani, D Beltrami, M Tagliani (XI[^] Internat.Bile Acid Meeting: Bile Acids as Therapeutic Agents, Freiburg, 11-13 Ottobre 1990, pag. 92)
135. Acute gastric toxicity of cisplatin + etoposide chemotherapy. S Sartori, I Nielsen, D Beltrami, L Trevisani, P Pazzi (The World Congress of Gastroenterology, Sydney-Australia 26-31 Agosto 1990, Abstracts I, PP391)
136. *Helicobacter pylori* infection: relationship to anti-inflammatory drugs use. P Pazzi, R La Corte, L Trevisani, D Sighinolfi, GL Bajocchi, S Sartori (The World Congress of Gastroenterology, Sydney- Australia 26-31 Agosto 1990, Abstracts I, PP945)
137. Gastroduodenal mucosa and dyspeptic symptoms in arthritic patients during chronic NSAID use. P Pazzi, D Sighinolfi, R La Corte, S Canazza, L Trevisani, G Stabellini (The World Congress of Gastroenterology, Sydney-Australia 26-31 Agosto 1990, Abstracts II, PD320)
138. Dietary Habits in gallstone disease. P Fabbri, P Pazzi, D Sighinolfi, M Massari, A Laterza, V Alvisi (The World Congress of Gastroenterology, Sydney-Australia 26-31 Agosto 1990, Abstracts II, PD956)
139. Biopsia polmonare ecoguidata: esperienza ferrarese. L Trevisani, PM Cervi, F Zucchi, D Beltrami, P Pazzi, A Potena (III[^] Conferenza Italiana di Medicina Respiratoria "Attualità e prospettive", Torino-Milano 18-23 Ottobre 1990, pag. 179)
140. *Helicobacter pylori* e medici di base. G Stabellini, L Trevisani, P Pazzi, D Beltrami, D Sighinolfi, R Ariutti, S Sartori (XCI Congr.Naz. Società Italiana Medicina Interna, Taormina 27 Ottobre-1 Novembre 1990, pag. 240)
141. Nonsteroidal Antiinflammatory Drug (NSAID)-induced dyspepsia: is *Helicobacter pylori* implicated? P Pazzi, R La Corte, L Trevisani, D Sighinolfi, S Sartori, R Scagliarini (III[^] Workshop Gastroduodenal Pathology and Campylobacter (*Helicobacter*) pylori, Toledo 8-10 Novembre 1990)
142. *Helicobacter pylori* (HP) and cellular immunity: is there a correlation? D Beltrami, L Trevisani, P Pazzi, D Sighinolfi, G Guerra, S Sartori, R Scagliarini, V Alvisi (III[^] Workshop Gastroduodenal Pathology and Campylobacter (*Helicobacter*) pylori, Toledo 8-10 Novembre 1990)
143. Diagnosi di natura delle lesioni polmonari periferiche: utilità dell'agobiopsia per cutanea ecoguidata. PM Cervi, L Trevisani, F Zucchi, S Bighi, P Pazzi, GL Limone (Abstracts SIUMB 1990, Giornale Italiano di Ultrasonologia, 1: 179, 1990)
144. L'agobiopsia ecoguidata nella diagnosi delle masse polmonari adese alla pleura. I Nielsen, S Sartori, L Trevisani, P Pazzi, PM Cervi, F Zucchi (VIII Riunione nazionale di Oncologia sperimentale e clinica, Bologna, 25-29 Novembre 1990)

145. *Helicobacter pylori* (HP) ed immunità cellulare. D Beltrami, L Trevisani, P Pazzi, D Sighinolfi, G Guerra, S Sartori, V. Alvisi (VI Convegno Internazionale "Attualità in Gastroenterologia", Bologna, 3-5 Dicembre 1990)
146. Prevalence of Gallstone (GS) disease in eighteen Italian population samples. The Multicenter Italian Study on Epidemiology of Cholelithiasis (MICOL) (41st Annual Meeting of the American Association for the study of liver disease, Chicago, November 3-6, 1990)
147. Prevalenza di litiasi inconsapevole in una popolazione selezionata. P Pazzi, D Sighinolfi, L Trevisani, R Scagliarini, F Macario, V Alvisi, S Gullini (XII Congresso Nazionale della Società Italiana Medico-Chirurgica di patologia dell'apparato digerente S.I.P.A.D., Bologna 4-6 Giugno 1991)
148. Prevalence of gallstone disease (GD) in arthritic patients: does NSAID treatment play any role? R La Corte, P Pazzi, L Trevisani, S Canazza, S Sartori, F Trotta (XXIIth European Congr. Rheumatol., Budapest, Hungary, 30th June- 6th July 1991, P4-322)
149. Routine determination of biliary cholesterol saturation index (BCS) in patients with radiolucent gallstones (GS). M Muraca, P Pazzi, L Miconi, MT Vilei, D Sighinolfi, V Alvisi (J.Hepatol., 13 (Suppl.2):S150, 1991)
150. Chronic ingestion of NSAIDs and gallstone disease prevalence in arthritic patients. P Pazzi, L Trevisani, S Sartori, R Scagliarini, D Sighinolfi, S Gullini (J.Hepatol., 13 (Suppl.2): S156, 1991)
151. Effect of aspirin on gallstone formation in the hamster. P Pazzi, E Morsiani, L Trevisani, D Sighinolfi, S Gullini (J.Hepatol., 13 (Suppl.2):S156, 1991)
152. AIDS in a patients with Crohn's disease. D Cantarini, P Pazzi, S Pasqualini, A Merighi, S Gullini (Falk symposium No.64: Non-neoplastic diseases of the Ano-Rectum, October 11-13, 1991, Titisee, Germany, p.2)
153. Scintigraphy versus ultrasonography in inflammatory bowel disease. N Prandini, L Feggi, PM Cervi, D Cantarini, F Macario, P Pazzi (Falk symposium No.64: Non-neoplastic diseases of the Ano-Rectum, October 11-13, 1991, Titisee, Germany, p.10)
154. L'Aspirina non previene la colelitiasi colesterinica indotta con la dieta nell'hamster. P Pazzi, E Morsiani, R Scagliarini, G Carli, S Gullini (Atti 28° Congr. SIGE, Catania, 12-15 Novembre 1991, p. 290)
155. Prevalence of unknown gallstone disease in a selected population. P Pazzi, D Sighinolfi, L Trevisani, F Macario, V Alvisi, S Gullini (European J. Gastroenterol., 3 (Suppl.1):p183, 1991)
156. Intermittent bile acids therapy for cholesterol gallstones: a 5-year prospective multicentre trial. ML Petroni, RP Jazrawi, M Zuin, E Boga, A Lanzini, D Facchinetti, M Fracchia, G Galatola, D Sighinolfi, P Pazzi, KWH Heaton, R Ferraris, V Alvisi, M Podda, TC Northfield (Third International Meeting Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna March 19-22, p. 41, 1992)
157. Dietary habits and gallstones: results of the M.I.COL. study. AF Attili, R Marchioli, E Scafato and the M.I.COL. group (Third International Meeting Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna March 19-22, p. 116, 1992)
158. Prevalence of unknown cholelithiasis in a selected population. P Pazzi, D Sighinolfi, R Scagliarini, S Gamberini, S Gullini, V Alvisi (Third International Meeting Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna March 19-22, p. 118, 1992)
159. Prevalence of gallstone disease and non-steroidal anti- inflammatory drug use: a case-control study. P Pazzi, D Sighinolfi, R Scagliarini, S Gamberini, A Merighi, S Gullini,

- V Alvisi (Third International Meeting Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna March 19-22, p.125, 1992)
160. Aspirin does not prevent diet-induced gallstone formation in the hamster. E Morsiani, P Pazzi, AP Rimondi, E Bianchini, L Trevisani, A Merighi, S Gullini (Third International Meeting Pathochemistry, Pathophysiology and Pathomechanics of the Biliary System, Bologna March 19-22, p. 154, 1992)
 161. Prevalence of *Helicobacter pylori* (HP) infection in patients infected with HIV. A Merighi, M Libanore, R Scagliarini, R Bicocchi, G Bisi, P Pazzi (Congresso Internazionale Infettivologia '92, Casale Monferrato, 6-9 Maggio 1992, pag.311)
 162. Prevalenza di colonizzazione gastrica da *Helicobacter pylori* (HP) in pazienti HIV-positivi. R Scagliarini, A Merighi, R Bicocchi, M Libanore, G Bisi, P Pazzi, S Gullini (SIMAD-5, Bologna 31 Maggio-4 Giugno, 1992, Riassunti, pag. 115)
 163. Does corticosteroid therapy facilitate *H.pylori* (HP) gastric colonization in arthritic patients? P Pazzi, R La Corte, L Trevisani, D Sighinolfi, R.Scagliarini, S.Gamberini, S.Gullini (*Gastroenterology*, 102:A144, 1992)
 164. Hepatic fat accumulation after partial hepatectomy in the rat is associated to increased sinusoidal wall permeability. E Morsiani, M Mazzoni, P Pazzi, G Azzena (*Gastroenterology*, 102:A854, 1992)
 165. *Helicobacter pylori* infection in patients with acquired immune deficiency syndrome. P Pazzi, A Merighi, S Gamberini, R Scagliarini, R Bicocchi, M Libanore, G Bisi, S Gullini (*Irish J. Med. Sci.* 161 (Suppl.10):67- 68, 1992)
 166. Intermittent bile acid therapy for recurrent cholesterol gallstones: a 5-year prospective multicentre trial. British-Italian Gallstone Study Group: ML Petroni, RP Jazrawi, M Zuin, E Boga, A Lanzini, D Facchinetti, M Fracchia, G Galatola, D Sighinolfi, P Pazzi, KWH Heaton, R Ferraris, V Alvisi, M Podda, TC Northfield (XII International Bile Acid Meeting: Bile Acids and the Hepatobiliary System, Basel, October 12-14, 1992; pag.101)
 167. On-line pre-column sample purification for the assay of bile acids by RP-HPLC. S Scalia, M Guarneri, P Pazzi (XII International Bile Acid Meeting: Bile Acids and the Hepatobiliary System, Basel, October 12- 14, 1992; pag.137)
 168. *Helicobacter pylori* infection in HIV positive patients of Northeastern Italy. A Merighi, R Bicocchi, M Libanore, R Scagliarini, G Bisi, P Pazzi. (VIII International Conference on AIDS/III STD World Congress, Amsterdam, 19-24 July 1992, pag. 55)
 169. Diagnosi precoce della litiasi biliare: risultati di uno studio policentrico. P Pazzi, R Galeazzi, AF Attili per il "Progetto di screening della litiasi inconsapevole" (Biliary Club: Riunione Generale Annuale: Prevenzione delle malattie epatobiliari, L'Aquila, 4 Dicembre 1992)
 170. *Helicobacter pylori* infection and gastric damage in arthritic patients taking anti-inflammatory drugs. R La Corte, G Menegale, A Bezzi, S Gamberini, R Scagliarini, S Canazza, P Pazzi, F Trotta (*Br.J.Rheumatol.* 31 (Suppl.2): 204, 1992)
 171. Gastric damage, dyspeptic symptoms and chronic NSAID use in arthritic patients. S Canazza, R Scagliarini, S Gamberini, G Bajocchi, R La Corte, F Trotta, P Pazzi (*Br.J.Rheumatol.* 31 (Suppl.2):173, 1992)
 172. Gastric colonization by *Helicobacter pylori* in patients with HIV infection. R Scagliarini, P Pazzi, A Merighi, A Bicocchi, M Libanore, S Gamberini, M Dalla Libera, S Gullini (The impact of HIV infection on the gastrointestinal tract, Bologna March 5-6, 1993, Abstract book, pag. 79)
 173. Misoprostol for the treatment of chronic erosive gastritis: a double-blind controlled study. P Pazzi, S Gamberini, R Scagliarini, M Dalla Libera, A Merighi, S Gullini (Digestive Disease Week, Boston, May 16-21, 1993; Abstract n.2441)

174. Diet and Gallstones: Results of the M.I.COL. study. AF Attili, E Scafato, R Marchioli, RM Marfisi and the M.I.COL. Group (Internat.Meeting: Update on Hepatology and Gastroenterology:from Basic Science to Clinical Medicine, Parma September 30- October 2, 1993)
175. Role of Myocamicin in *Helicobacter pylori* eradication: Histologic and cytologic assessment. M Dalla Libera, A Merighi, F Macario, G Carli, S Scagliarini, S Boccia, P Pazzi (II United European Gastroenterology Week, Barcelona 19-24 July 1993)
176. Postprandial gallbladder filling and turnover rate in health and gallstone disease. RP Jazrawi, P Pazzi, ML Petroni, J Adam, TC Northfield (Annual Meeting of the British Society of Gastroenterology, University of Warwick, 15-17 September, 1993, Abstract W1)
177. Diet and Gallstones: Results of the M.I.COL. Study. AF Attili, E Scafato, R Marchioli, RM Marfisi and the M.I.COL. Group (44th Annual Meeting of the American Association for the Study of Liver Diseases, Chicago, November 4-7, 1993)
178. Diagnosi e terapia dell'epatocarcinoma: orientamento attuale. S Gamberini, R Scagliarini, M Dalla Libera, F Macario, S Boccia, P Pazzi (Riunione Regionale AIGO-SIED, Bologna, 5 Marzo 1993)
179. Ruolo della Miocamicina nella eradicazione dell' *Helicobacter pylori*: valutazione istologica e citologica. M Dalla Libera, G Bisi, R Scagliarini, S Gamberini, A Merighi, P Pazzi (Riunione Regionale AIGO-SIED, Bologna, 5 Marzo 1993)
180. Brush-cytology in the assessment of *Helicobacter pylori* eradication. M Dalla Libera, R Scagliarini, A Merighi, P Pazzi, S Gullini (VIth Internat.Workshop on Gastroduodenal pathology and *Helicobacter pylori*, Brussels, September 21-25, 1993)
181. Dietary habits and Gallstones in the M.I.COL. study. AF Attili, E Scafato, R Marchioli, RM Marfisi and the M.I.COL. Group (28th Annual Meeting of the European Association for the Study of the liver, Paris, 1-4 September, 1993)
182. Combined ultrasonographic and cholescintigraphic evaluation of gallbladder motor function. N Prandini, P Pazzi, L Feggi, R Scagliarini, S Gamberini (Europ.J.Nuclear Medicine, 20:475A, 1993)
183. Usefulness of brush-cytology in the assessment of *Helicobacter pylori* gastric colonization. M Dalla Libera, R Scagliarini, S Gamberini, A Merighi, P Pazzi, S Gullini (It.J.Gastroenterol. 25:S58, 1993)
184. Chronic erosive gastritis: a clinical study. R Scagliarini, S Gamberini, M Dalla Libera, A Merighi, P Pazzi, S Gullini (It.J.Gastroenterol. 25:S158, 1993)
185. Non-steroidal anti-inflammatory drug use and gallstone disease prevalence: a case-control study. R Scagliarini, D Sighinolfi, S Gamberini, M Dalla Libera, P Pazzi, S Gullini (It.J.Gastroenterol. 24:S159, 1993)
186. Long-term management and risk factors for recurrent cholesterol gallstones: a 5-year prospective multicentre trial. ML Petroni, RP Jazrawi, M Zuin, E Boga, A Lanzini, D Facchinetti, M Fracchia, G Galatola, D Sighinolfi, P Pazzi, KWH Heaton, R Ferraris, V Alvisi, M Podda, TC Northfiels (Ital J Gastroenterol, 25:230, 1993)
187. Esophageal diseases in patients infected with HIV: endoscopic study during the period 1988-1993. R Bicocchi, A Merighi, L Sighinolfi, M Pantaleoni, P Pazzi, M Libanore, F Ghinelli (Fourth European Conference on clinical aspects and treatment of HIV infection, Milan March 16-18, 1994, Abstract book, p.205:P294)
188. Postprandial gallbladder refilling and turnover of bile: a novel approach to assessing gallbladder stasis in cholelithiasis. RP Jazrawi, P Pazzi, ML Petroni, N Prandini, C Paul, JA Adam, TC Northfield (Cholestatic liver diseases: new strategies for prevention and treatment of hepatobiliary and cholestatic liver discases, Maastricht April 22-23, 1994; Abstract Book, p. 21- 22)

189. Protective effect of tauroursodeoxycholate on bile-salt induced gastric mucosal injury. M Muraca, P Pazzi, E Zanusso, M Dalla Libera, S Gamberini, V Cianci (Gastroenterology 106:A145, 1994)
190. Brush-cytology: A simple, rapid, sensitive method in the diagnosis of *Helicobacter pylori*. P Pazzi, M Dalla Libera, R Scagliarini, S Gamberini, A La Froscia, G Carli, S Gullini (Gastroenterology 106:A157, 1994)
191. Postprandial refilling and turnover of bile: a novel approach to assessing gallbladder stasis in cholelithiasis. RP Jazrawi, P Pazzi, ML Petroni, TC Northfield (Gastroenterology 106: A341, 1994)
192. Nonsteroidal anti-inflammatory drug (NSAID) use and gallstone disease prevalence: A case-control study. P Pazzi, R Scagliarini, D Sighinolfi, S Gamberini, M Dalla Libera, S Gullini (Gastroenterology 106: A959, 1994)
193. A study of gallbladder motor function by combined ultrasonography and cholescintigraphy. N Prandini, P Pazzi, L Feggi, R Scagliarini, S Gamberini (J. Nuclear Biology and Medicine, 38:313-314, 1994)
194. Dissolution behaviour of ursodeoxycholic acid: HPLC analysis and improvement of drug release. S Scalia, P Giunchedi, U Conte, P Pazzi (XIII Intern. Bile Acid Meeting, S.Diego, USA, 1994, p. 64)
195. Analysis of free bile acids in pharmaceutical dosage forms by HPLC-electrochemical detection. S Scalia, S Tirendi, E Bousquet, P Pazzi (XIII Intern. Bile Acid Meeting, S.Diego, USA, 1994, p.73)
196. Bile-salt induced cytotoxicity: *in vitro* study in perfused rat hepatocytes. P Pazzi, AC Puviani, M Dalla Libera, G Guerra, S Gullini, C Ottolenghi (XIII Intern. Bile Acid Meeting, S.Diego, USA, 1994, p.104)
197. Tauroursodeoxycholate protects against gastric mucosal injury induced by hydrophobic bile salts in a rat model. M Muraca, P Pazzi, E Zanuzzo, M Dalla Libera, S Gamberini, M.T.Vilei, V.Cianci (XIII Intern. Bile Acid Meeting. S.Diego, USA, 1994, p. 105)
198. Postprandial gallbladder refilling and turnover of bile: a novel approach to assessing gallbladder stasis in cholelithiasis. RP Jazrawi, P Pazzi, ML Petroni, JA Adam, TC Northfield (XIII Intern. Bile Acid Meeting, S.Diego, USA, 1994, p. 125)
199. Long term strategy for nonsurgical management of cholesterol gallstone disease: a 6-year prospective multicentre study. ML Petroni, RP Jazrawy, TC Northfield and the B.I.G. Study Group (XIII Intern. Bile Acid Meeting, S.Diego, USA, 1994, p. 61)
200. Brush-cytology: a realable method for detecting *Helicobacter pylori*. P Pazzi, M Dalla Libera, A La Froscia, R Scagliarini, G Carli, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994 , Abstracts I: Oral Presentation, p. 44)
201. Chronic erosive gastritis: a clinical, endoscopic and histological study. P Pazzi, R Scagliarini, S Gamberini, M Dalla Libera, A Merighi, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts I:Oral Presentation, p. 164)
202. Omeprazole, clarithromycin and tinidazole: a new triple therapy for the eradication of *H.pylori*. P Pazzi, M Dalla Libera, G Carli, A La Froscia, R Scagliarini, A Merighi, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts II: Poster Presentation, p. 86)
203. *Helicobacter pylori* gastric colonization in HIV-infected patients. P Pazzi, R Scagliarini, A Merighi, A Bicocchi, A Libanore, S Gamberini, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts II:Poster Presentations, p.572)

204. Duodenal pathology in HIV-infected patients. A Merighi, P Pazzi, A Bicocchi, MR Rossi, L Cavazzini, R Scagliarini, M Libanore, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts II:Poster Presentations, p.586)
205. Postprandial gallbladder motor function: Refilling and turnover of bile in health and in cholelithiasis. RP Jazrawi, P Pazzi, ML Petroni, N Prandini, C Paul, JA Adam, S Gullini, T.C.Northfield (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts II:Poster Presentation, p. 979)
206. Quality assurance in gastrointestinal endoscopy: microbiological surveillance of disinfection. A Merighi, E Contato, R Scagliarini, G Mirolo, ML Tampieri, P Pazzi, S Gullini (10th World Congresses of Gastroenterology, Los Angeles, 1994, Abstracts II:Poster Presentations, p. 2407)
207. Effect of omeprazole and clarithromycin plus tinidazole on the eradication of *Helicobacter pylori* and the recurrence of duodenal ulcer. F Bazzoli, S Gullini, RM Zagari, P Pazzi, M Dalla Libera, P Pozzato, S Sottili, S Fossi, G Carli, R Scagliarini, P Simoni, E Roda (It J Gastroenterol, S2, 26: 19, 1994)
208. Pancreatic duct antibodies and subclinical exocrine pancreatic function impairment in Sjogren's syndrome. A D'Ambrosi, A Verzola, P Pazzi, L Vicentini, A Boccafogli, V Alvisi, R Scolozzi (It J Gastroenterol, S2, 26: 51, 1994).
209. Plasma bile pigment levels in patients with fulminant hepatic failure treated with a bioartificial liver. M Muraca, P Pazzi, MT Vilei, E Morsiani, J Rozga, V Cianci, S Gullini, AA Demetriou (It J Gastroenterol, S2, 26:118, 1994)
210. Tauroursodeoxycholate protects against bile salt induced gastric mucosal injury in a rat model. M Muraca, P Pazzi, E Zanusso, M Dalla Libera, S Gamberini, MT Vilei, V Cianci (It J Gastroenterol, S2, 26:119,1994)
211. Bile salt-induced cytotoxicity and cytoprotection: in vitro study in perfused rat hepatocytes. P Pazzi, AC Puviani, M Dalla Libera, G Guerra, S Gullini, C Ottolenghi (It J Gastroenterol, S2, 26:125, 1994)
212. Serum bile acid levels in patients with fulminant hepatic failure treated with a bioartificial liver. P Pazzi, M Muraca, J Rozga, MT Vilei, E Morsiani, V Cianci, S Gullini, AA Demetriou (It J Gastroenterol, S2, 26:126, 1994)
213. Laserterapia palliativa nelle lesioni neoplastiche benigne e maligne del colon: nostra esperienza. G Carli, M Dalla Libera, D Cantarini, P Pazzi, S Gullini (VIII Simposio Naz Soc It End Dig, Taormina 3-6 Novembre 1994, p.429)
214. Effect of omeprazole and clarithromycin plus tinidazole on the eradication of *Helicobacter pylori* and the recurrence of duodenal ulcer. F Bazzoli, S Gullini, RM Zagari, P Pazzi, M Dalla Libera, P Pozzato, S Sottili, S Fossi, G Carli, R Scagliarini, P Simoni, E Roda (VIII Workshop of the European *Helicobacter pylori* Study Group, Edinburgh, Scotland 7-9 July, 1995)
215. Serum Bile acid levels in patients with fulminant hepatic failure treated with a bioartificial liver. P Pazzi, J Rozga, M Muraca, MT Vilei, E Morsiani, AD Moscioni, AA Demetriou (Hepatology, 20:199A, 1994) 
216. Plasma clearance of bile pigments by a bioartificial liver. P Pazzi, J Rozga, M Muraca, MT Vilei, E Morsiani, E Le Page, AA Demetriou (Hepatology, 20:199A, 1994) 
217. Hepatoprotective effect of ursodeoxycholate: in vitro study in perfused rat hepatocytes. P Pazzi, AC Puviani, M Dalla Libera, G Guerra, S Gullini, C.Ottolenghi (Hepatology 20:1156A, 1994) 
218. Efficacia di omeprazolo e claritromicina più tinidazolo nell'eradicazione dell'*Helicobacter pylori* e nella recidiva dell'ulcera duodenale. RM Zagari, S Gullini, F Bazzoli, P Pazzi, M Dalla Libera, P Pozzato, S Sottili, S Fossi, G Carli, R Scagliarini, P Simoni, E Roda (Gastroenterology International 5, Suppl.1: 15, 1994)

219. La nostra esperienza con laserterapia palliativa nelle lesioni neoplastiche benigne e maligne del colon. G Carli, M Dalla Libera, D Cantarini, P Pazzi, S Gullini (Gastroenterology International 5, Suppl.1: 19, 1994)
220. Role of gallbladder motility defects in pathogenesis of gallstone recurrence. P Pazzi, RP Jazrawi, ML Petroni, S Gullini, TC Northfield (Gut, Suppl.1: F264, 1995)
221. Efficacy of Ursodeoxycholic acid alone and with chenodeoxycholic acid for cholesterol gallstone dissolution: a double blind multicentre trial. ML Petroni, RP Jazrawi, P Pazzi, D Sighinolfi, G Pigozzi, A Lanzini, M Zuin, E Boga, M Fracchia, R Ferraris, V Alvisi, KW Heaton, M Podda, TC Northfield (Gut, Suppl.1: T166, 1995)
222. Brush-cytology: a reliable method for detecting *Helicobacter pylori* gastric colonization. M Dalla Libera, P Pazzi, G Carli, R Scagliarini, S Gamberini, A Merighi, N Ricci, S Gullini (Gut, Suppl.1: V1, 1995)
223. Scintigraphic and ultrasonographic assessment of gallbladder emptying in cholelithiasis. N Prandini, L Feggi, P Pazzi, S Gullini, RP Jazrawi, TC Northfield, C Paul (Nucl Med Comm 16: 214-215, 1995)
224. Portal hypertension in hepatic nodular regenerative hyperplasia: case report. A Merighi, F Macario, R Scagliarini, L Cavazzini, M Dalla Libera, P Pazzi, S Gullini (Recenti acquisizioni sulle malattie epatobiliari e pancreatiche, Bolzano Aprile 1995 (Abstract book p. 43)
225. Efficacy of ursodeoxycholic vs an equimolar combination of chenodeoxycholic acid and ursodeoxycholic acid for dissolution of cholesterol gallstones: a double-blind multicentre trial. The British-Italian Gallstone Study Group: ML Petroni, RP Jazrawi, P Pazzi, D Sighinolfi, G Pigozzi, A Lanzini, M Zuin, E Boga, M Fracchia, R Ferraris, V Alvisi, KW Heaton, M Podda, TC Northfield - Recenti acquisizioni sulle malattie epatobiliari e pancreatiche, Bolzano Aprile 1995 (Abstract book p. 66)
226. Ultrasonographic characteristics of gallstones and biliary symptoms: results of an epidemiological study (the M.I.COL. Study). D Festi, A Sangermano, S Sottili, A Colecchia, M Orsini, E Roda and the M.I.COL. Group - Recenti acquisizioni sulle malattie epatobiliari e pancreatiche, Bolzano Aprile 1995 (Abstract book p. 86)
227. Postprandial refilling and turnover of bile: role in pathogenesis of gallstone recurrence. P Pazzi, RP Jazrawi, ML Petroni, S Gullini, TC Northfield - Recenti acquisizioni sulle malattie epatobiliari e pancreatiche, Bolzano Aprile 1995 (Abstract book p. 91)
228. *Helicobacter pylori* gastric colonization in HIV infected patients of northeastern Italy. M Libanore, R Bicocchi, A Merighi, R Scagliarini, P Pazzi - Nutrition and HIV infection, Cannes, April 1995 (Abstract book, p. 47)
229. Effect of omeprazole and clarithromycin plus tinidazole on the eradication of *Helicobacter pylori* and the recurrence of duodenal ulcer. F Bazzoli, S Gullini, RM Zagari, P Pazzi, M Dalla Libera, P Pozzato, S Sottili, S Fossi, G Carli, R Scagliarini, P Simoni, E Roda (Gastroenterology, 108: A57, 1995)
230. Brush-cytology for assessing *Helicobacter pylori* eradication soon after triple therapy. P Pazzi, M Dalla Libera, G Carli, R Scagliarini, S Gamberini, A Merighi, S Gullini (Gastroenterology 108: A188, 1995)
231. Cholate uptake and conjugation by a porcine hepatocyte-based bioartificial liver. P Pazzi, AD Moscioni, J Rozga, E Morsiani, AA Demetriou (Gastroenterology 108: A1144, 1995)
232. Cholate handling by a bioartificial liver. P Pazzi, AD Moscioni, J Rozga, E Morsiani, S Gullini, AA Demetriou Bile Acids-Cholestasis-Gallstones: Advances in basic and clinical bile acid research, Berlin, June 1995 (Abstract book p.9)

233. Gallbladder refilling and turnover of bile: new parameters of gallbladder motor functions. RP Jazrawi, P Pazzi, ML Petroni, S Gullini, TC Northfield Bile Acids-Cholestasis-Gallstones: Advances in basic and clinical bile acid research, Berlin, June 1995 (Abstract book p.23)
234. Chronic NSAID ingestion and gallstone disease: a case-control study. R Scagliarini, P Pazzi, D Sighinolfi, S Gamberini, M Dalla Libera, S Gullini Bile Acids-Cholestasis-Gallstones: Advances in basic and clinical bile acid research, Berlin, June 1995 (Abstract book p.37)
235. Efficacy of Ursodeoxycholic acid alone and with chenodeoxycholic acid for gallstone dissolution: a double blind multicentre trial. *The British-Italian Gallstone Study Group*: ML Petroni, RP Jazrawi, P Pazzi, D Sighinolfi, G Pigozzi, A Lanzini, M Zuin, E Boga, M Fracchia, R Ferraris, V Alvisi, KW Heaton, M Podda, TC Northfield Bile Acids-Cholestasis-Gallstones: Advances in basic and clinical bile acid research, Berlin, June 1995 (Abstract book p.49)
236. Effect of omeprazole and clarithromycin plus tinidazole on the eradication of *Helicobacter pylori* and the recurrence of duodenal ulcer. F Bazzoli, S Gullini, RM Zagari, P Pazzi, M Dalla Libera, P Pozzato, S Sottili, S Fossi, G Carli, R Scagliarini, P Simoni, E Roda (*Gut* 37, Suppl.2: A241, 2066, 1995)
237. Collagenous Colitis: report of seven cases. G Carli, E Grandi, M Dalla Libera, D Cantarini, P Pazzi, S Gullini (*Gut* 37, Suppl.2: A202, 1723, 1995)
238. Early assessment of *Helicobacter pylori* eradication by brush-cytology. P Pazzi, G Carli, M Dalla Libera, R Scagliarini, S Gamberini, A Merighi, S Gullini (*Gut* 37, Suppl.2: A202, 1725, 1995)
239. Successo di un regime antibiotico di una settimana nell'eradicazione dell'*Helicobacter pilori*. M Dalla Libera, P Pazzi, G Carli, R Scagliarini, A Merighi, S Gullini Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.170)
240. Il ¹³C-urea breath test per la diagnosi di infezione da *Helicobacter pylori* nel bambino. F Bazzoli, L Cecchini, L Corvaglia, M Dall'Antonia, M Dalla Libera, C De Giacomo, S Fossi, P Garisio, L Gobbio Casali, S Gullini, R Lazzari, G Leggeri, P Lerro, F Lizzoli, G Mandrioli, M Marani, P Martelli, A Miano, C Mwangemi, G Oderda, A Pasetti, P Pazzi, P Pozzato, L Ricciardiello, E Roda, P Simoni, S Sottili, G Torre, L Urso, M Zagari Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.196)
241. Colite collagena in età pediatrica. G Carli, G Mandrioli, M Dalla Libera, P Pazzi (Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.346)
242. Riempimento postprandiale e turnover della bile, nuovi parametri della dinamica motoria colecistica: ruolo nella patogenesi della recidiva colelitiasici. P Pazzi, RP Jazrawi, ML Petroni, S Gullini, TC Northfield. Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.536)
243. Captazione e coniugazione dell'acido colico in un fegato bioartificiale. P Pazzi, E Morsiani, AD Moscioni, J Rozga, S Gullini, AA Demetriou. Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.537)
244. Incidenza di colelitiasi e fattori associati in corso di cirrosi epatica. R Scagliarini, P Pazzi, D Sighinolfi, F Macario, S Gullini (Congresso Nazionale Congiunto di Patologia Digestiva, Torino Novembre 1995 (Abstract book p.556)
245. Cholate handling by a bioartificial liver. P Pazzi, AD Moscioni, E Morsiani, J Rozga, AA Demetriou (*Hepatology* 22: A473, 1995)
